

Clues 1-27 are given in alphabetical order of their solutions.  
 Clue co-ordinates are given except for those of March 11th, 12th, 13th, 14th and 28th. A little jig-sawing may be required. Also visual clue identification.  
 The \*\*\*\*\* solution is formed from clue 28. Some letters are marked.

# March

## Sirius

| Mon                                                               | Tues                                                                                | Wed                                                            | Thurs                                                                                                                                       | Fri                                                                                   | Sat                                                                                          | Sun                                                                                            |
