

This puzzle gives you the solutions first! The purpose is to practice jig-sawing in 3D and get to know the setters style. Clues 1-27 are placed in random order. Your task, should you accept it, is to match the clues with their solutions. Jig-saw solutions into the diagram following the arrows. The ***** solution is formed from clue 3. There are two visual clues one for the theme, and one for one written clue. Hint: if you put your CAR in a spin you might get the RAC out! Themed clues are indicated by
